ISA HYDERABAD

We welcome you to PURE 2024 and have an Academic feast and experience the Hyderabadi Hospitality .

The Global Anesthesia Society, in collaboration with ISA HYDERABAD , is organizing an International Conference & Workshop on 13th (Sat) and 14th (Sun) April 2024 at The Plaza Hotel Begumpet, Hyderabad.

This two-day-long conference aims to bring together Anaesthesiologists from across the country and various parts of the world. The event aims to provide participants with opportunities to enhance their expertise & skills in using Ultrasound (US) and Peripheral Nerve Stimulation (PNS) for both basic and advanced nerve blocks, and practice Regional Anaesthesia for better patient experience and safety.

Hyderabad known as the City of Pearls with its varied Diversity and Culture is an Excellent Place for a Medical Conference with its Modern Medical Infra structure and we'll connected to all Major Cities of India - both by Rail and Flights .
